BEST PRESCHOOL / DAYCARE ON MAUI

Montessori goes beyond handing your child a picture of a dog and a box of crayons, labeling the activity as "learning." Based on Dr. Maria Montessori's century old principles, Maui's favorite preschool and daycare states that its teaching methodology is based on the following: "observation, peer learning, tactile learning materials and intrinsic motivation." The schooling institution sticks it to the man (aka the U.S. Department of Education) by implementing their own specialized teaching style; the overall school even combines different grade levels into one classroom. Set your child on the righteous path of non-conformity from the get-go parents. @Jadeyylady
